Introduction

The *Expense Management - Tenant Resale Module Installation Guide* describes how to install the Tenant Resale module. The following topics are included:

- Topics
- [Expense Management - Tenant Resale Module Overview](#)
 - [How This Guide is Organized](#)

Expense Management - Tenant Resale Module Overview

Expense Management Tenant Resale is the solution for health organizations, universities, exhibition operators, hotels, office rental and many other organizations in which the company provides IT services to customers. It enables you to effectively generate revenues by providing you the services you need for a high-quality billing system that is easily maintainable and reasonably priced.

The Tenant Resale module is an Expense Management application add-on, and its prerequisites mirror the Expense Management application.

This guide assumes the Expense Management application is already installed on your computer, and all prerequisites are fulfilled.

How This Guide is Organized

- [Chapter 1 Introduction](#) This chapter provides a brief overview of the Expense Management Tenant Resale module, and also outlines how to use this guide, including chapter layout.
- [Chapter 2 Installation](#) This chapter lists the steps needed to install and open the Tenant Resale module.

2

Installation

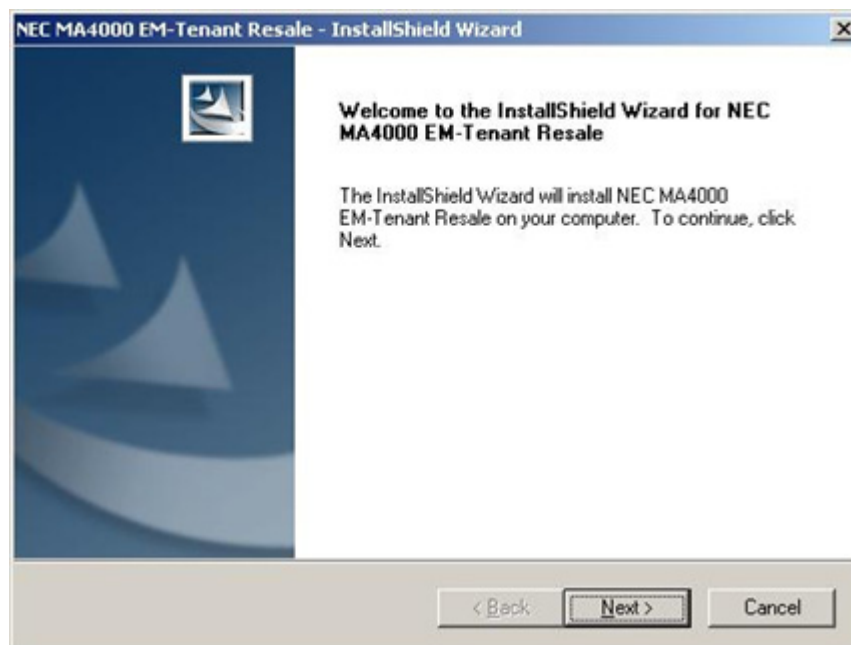

This chapter provides the steps needed to install and open the Tenant Resale Module.

- Chapter Topic*
- [Installing the Tenant Resale Module](#)
 - [Opening the Tenant Resale Module](#)

Installing the Tenant Resale Module

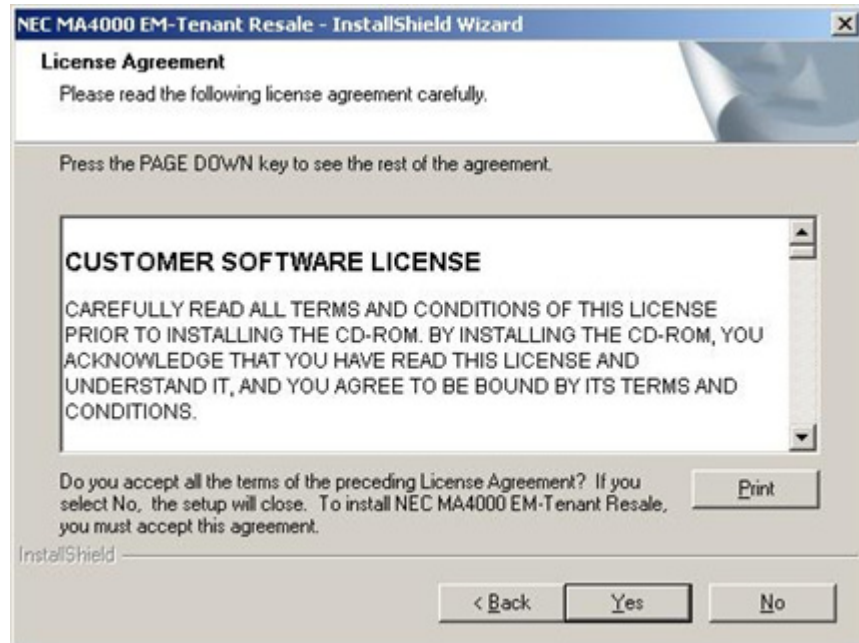

- Step 1** Launch the **Tenant Resale** installation using the link on the page that is automatically run from your installation DVD.
- Step 2** The InstallShield Wizard opens and checks the operating system version. [Figure 2-1](#) displays.

Figure 2-1 NEC MA4000 EM-Tenant Resale - Install Shield Wizard - Welcome

- Step 3** Click **Next**. [Figure 2-2](#) displays.

Figure 2-2 NEC MA4000 EM-Tenant Resale - InstallShield Wizard - License Agreement

Step 4 Review the License Agreement; and then click **Yes** to continue. [Figure 2-3](#) displays.

Figure 2-3 NEC MA4000 EM-Tenant Resale - InstallShield Wizard - Current Settings

Step 5 Ensure the settings displayed are correct, then click **Next**.

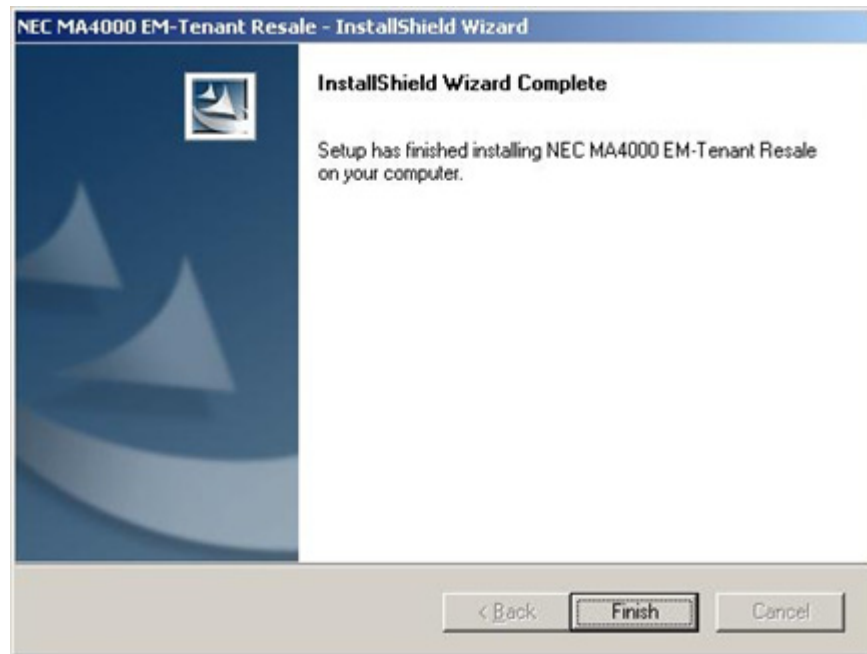

—The Wizard proceeds to the Setup Status stage. When the installation finishes, [Figure 2-4](#) displays.

NOTE

The installation wizard minimizes the Setup Status window into the task bar. When the installation is complete, the wizard will automatically restore the window.
