Or: Dial the number first, and then press

 or the **Dial** soft key. When prompted, choose either Video or Phone Call.

ANSWERING A CALL

Press  or the **Answer** soft key.

*Incoming calls may be ignored by pressing the **Reject** soft key during ringing.*

ENDING A CALL

Press  or the **End Call** soft key.

LED INDICATORS

The LEDs located at the top of each speaker indicate the current status.

Green - Your call is in progress.

Flashing green - A call is incoming.

Blinking green - Your call is held by the other party.

Red - Your call is muted.

Flashing Red - You have voice mail.

Blinking red - You have placed the call on hold.

MICROPHONE MUTE

During a call, press . If you are using external microphones, you can also press

 on the microphones. You can hear all other parties while Mute is enabled.

To turn off Mute, press  again.

CALL HOLD AND RESUME

1. During a call, press the **Hold** soft key.
2. Press the **Resume** soft key to resume the call.

CALL TRANSFER

1. During a call, press the **Trnsfer** soft key (the active call is placed on hold).
2. Place a call to the party to which you want to transfer the call.
3. After speaking with the second party, press the **Trnsfer** soft key to complete the transfer.

*Press the **Blind** soft key to transfer the call without speaking to the second party. Split transfer is not supported.*

*Transfer may be cancelled during establishment by pressing the **Cancel** soft key. The original call is resumed.*

CALL FORWARDING

This must be programmed by the system administrator, and configured for the switch to which you are connected. When connected to a NEC UNIVERGE switch, settings from the SoundStation IP 7000 are not supported.

LOCAL CONFERENCE

The SoundStation IP 7000 conference button is not supported when connecting to a NEC UNIVERGE switch. Dial directly into a conference bridge in order to attend a conference call.

REDIAL

Press  button to redial the most recently dialed number.

DO NOT DISTURB

DND is not a supported function when connected to the NEC Univerge Switch.

CALL LISTS

Press , followed by the **Features**, **Call Lists**, and then Missed, Received, or Placed Calls, as desired. Information on respective calls will be displayed.

From this screen, choose the appropriate soft key:

1. **Edit** to amend the contact number before dialing.
2. **Dial** to place the call.
3. **Info** to view detailed call information.
4. **Save** to store the contact to the Contact Directory.
5. **Clear** to delete the call from the list.
